

## Disclaimer

The following conditions of use apply to the use of this website [www.raymedy.com](http://www.raymedy.com). By using this website you are deemed to have read and accepted the terms of use.

### Use of information

Raymedy International BV strives to always offer correct and current information on this website. Although this information has been compiled with the greatest possible care, Raymedy Int. BV does not guarantee the completeness, accuracy or topicality of the information. The information on the website is of a general nature and cannot be considered as health advice or medical advice.

No rights can be granted to the information. Raymedy International BV accepts no liability for damage resulting from the use of the information or the website, nor for the malfunctioning of the website. A relationship between Raymedy International BV and the user of the website cannot automatically arise on the basis of sending and receiving information from the website or via e-mail.

### E-mail

Raymedy International BV does not guarantee that e-mails sent to it will be received or processed (on time) because timely receipt of e-mails cannot be guaranteed. The security of e-mail traffic can also not be fully guaranteed due to the associated security risks. By accepting encryption or password protection by e-mail with Raymedy International BV you accept that risk.

### Hyperlinks

This website may contain hyperlinks to third-party websites. Raymedy International BV has no influence on third-party websites and is not responsible for the availability or content thereof. Raymedy International BV therefore accepts no liability for damage resulting from the use of websites by third parties.

### Intellectual property rights

All publications and expressions of Raymedy International BV are protected by copyright and other intellectual property rights. Except for personal and non-commercial use, nothing from these publications and statements may be reproduced, copied or made public in any other way, without prior written permission from Raymedy International BV.
